Thank you for clarifying James. Do you think that then means that the statistics in the Nassif report include your lab? Or are your lab's statistics not included at all?  
Ann

Hi Ann,

I check your attached emails about the conflicting reports. There are 3 laboratories involved 1 the Amherst Drug Lab at UMass Amherst, 2 the Boston Drug Lab in Jamaica Plain both run by Mass Public Health and headed by Julie Nassif and 3 the Worcester Drug Lab at UMass Medical School in Worcester, which is run by the Worcester County DA's Office.
